Montana Bible College Application Procedure

Dear Applicant,

A Bible college education gives a student access to training and resources which can be used to make a profound impact on the world. It is a choice few make, but those who do consistently regard it as one of the most rewarding decisions they make in their lives. Regardless of where the Lord leads you in the future, the time you spend at Montana Bible College will equip you to face the world and its challenges as a servant and minister of our Lord Jesus Christ.

This packet contains the materials you need to complete in order to gain acceptance at Montana Bible College. Please read through the instructions and **follow them carefully**. This will allow more rapid processing of your application and prevent unnecessary delays. If you have any questions, please contact the MBC admissions office at (406) 586-3585. We are glad that you have chosen to be a part of our family here at Montana Bible College.

Application

Please complete and sign the enclosed application form. We encourage you to fill in every blank; if a question does not apply to you, please respond by writing "n/a". A \$35 non-refundable application fee (\$100 after the deadline) must be sent along with the application. Please make checks or money orders payable to Montana Bible College and write "application fee" in the memo line.

Application photograph

A wallet-size photograph of yourself should be included with your application or a digital photo sent via e-mail to the MBC admissions office (admissions@montanabiblecollege.com). The staff at MBC strives to know every applicant and pictures are very helpful.

Biographical Sketch

As part of the application, you will submit a written or typed biographical sketch of your family background, how you came to Christ, what He has been doing in your life since you were saved, and any other pertinent information about yourself that we should know.

Recommendations

MBC requires four recommendation forms for admission: one from a pastor, one from an employer or teacher, one from a mentor/discipler, and one from a personal reference. After completing the “Applicant’s Information” portion at the top of the form, give the recommendation to the person you have chosen to complete it. Because all recommendations should be sent directly to the admissions office by the respondents, please provide your reference with a stamped, pre-addressed envelope for this purpose.

Official Transcripts

Applicants planning to enter MBC directly from high school or who have no college credit must submit official transcripts from their graduating high school or a GED report. Home school transcripts should indicate the courses completed; the credits, units, or hours associated with each course; and a letter or numerical grade indicating the student’s level of performance in that subject area for that year. Courses or subjects should be organized by grade level (9 through 12) and date, and the transcript should be signed and dated by the preparer.

The Admissions Office must receive official transcripts from all colleges attended by the applicant. High school transcripts are not required of applicants who have earned 12 or more college credits.

All transcripts must be sent directly to the MBC Admissions Office by the reporting school. A final copy of your transcripts, reflecting completion of all classes and/or graduation, must be sent if the initial transcript was requested while a semester or term was in-progress. Most schools require a written request by the applicant in order to release the transcripts. Contact your school to determine how to proceed.

SAT/ACT Scores

Applicants planning to enter MBC directly from high school or who have earned fewer than 12 college credits must submit a copy of their ACT or SAT test scores or have their report transmitted electronically to the MBC admissions office.

Deadlines

Applicants who wish to attend MBC must submit all required application materials by the **application deadline of June 15th for fall semester or November 15th for spring semester. In order to be guaranteed consideration for admission, all application materials must be submitted to the MBC admission office by these deadlines.** It is recommended, and in the applicant’s best interest, to apply as early as possible in order to maximize academic opportunities and prevent unnecessary delays.

International Students

Applicants who are citizens of a country other than the United States will be required to complete the admissions packet to be considered for admission to MBC. But first, all international applicants must provide MBC with a letter of recommendation sent by a missionary whom MBC recognizes serving in their native country before the application will be considered. Due to federal I-20 requirements, all international students seeking admission to MBC must provide, in written form, proof of the student's ability to provide financially for schooling expenses, as well as all relocation costs to the United States and cost of living while attending school. All international students must also understand that if they have a family (wife or husband, and/or children), they must bring their family with them and have the ability to financially provide for them while attending MBC.

International students should consult the MBC website (www.montanabiblecollege.edu) for information about applicable deadlines and additional admissions requirements. Students coming from a country in which English is not an official language will need to provide proof of English language proficiency in the form of TOEFL test scores or a letter from a professor of English.

After Admission

Applicants who are accepted to Montana Bible College will be notified by mail. An Enrollment Agreement and Housing Application will be sent at that time. This form provides an opportunity for accepted students to declare their intention to enroll at MBC and apply for MBC housing. Accompanying this form will be a Health Information Form. In compliance with Montana state law, we must have immunization records on file for all students taking four credits or more. Therefore, we require each incoming student to provide us with complete immunization records. In addition, we encourage all first-time students to obtain a physical exam before coming to school.

These forms, along with the housing and/or tuition deposit(s), must be returned to the MBC admissions office by August 1st (fall semester) or December 15th (spring semester).

Once you have returned the Enrollment Agreement and Housing Application along with the corresponding deposits and the Health Information Form, the admissions office will contact you to help you register for classes.
