We are searching for a full-time Senior Pastor who will take an active role in leading, equipping, and shepherding the congregation in partnership with the deacons and members. He will be committed to speaking the truth of Scripture while being theologically informed, relevant, and practical. Our ideal candidate would possess qualities that would allow them to provide solid biblical preaching and individual discipleship.

Preach and Lead Worship:

- Develop and deliver weekly sermons and facilitate meaningful worship experiences.
- Provide devotionals for Wednesday night prayer meetings.

Disciple and Support Members:

- Actively build relationships with church members to disciple, equip, support, and encourage them in their faith.

Minister in Crisis:

- Serve and minister to individuals during times of crisis, offering spiritual and emotional support.

Provide Counseling:

- Offer counseling support to church members as needed.

Faith and Character:

- Demonstrate a clear love for Christ, reflected in both personal life and ministry work in accordance with the Biblical qualifications for leaders.
- Make an effort to maintain a positive relationship with the community.

Experience:

- Meaningful pastoral experience is preferred.

Biblical Standards:

- Exemplify the biblical qualifications outlined in 1 Tim. 3 and Titus 1.

Theological Communication:

- Show a demonstrated ability to articulate biblical theology in a clear, understandable, and applicable manner for church members.

Leadership Skills:

- Be a servant leader with strong leadership abilities and excellent verbal communication skills.
